

LADIES LEARNING TO LEAD

PO Box 2091 | Tallahassee, FL 32316

Dear Sponsor,

It is my pleasure to represent an organization of class that carries a passion for serving young ladies. Ladies Learning to Lead "L3" is working to build confidence, character, and leadership skills in young ladies to prepare them for college, careers, and life.

We have served over 8000 young ladies, having **the largest girl's Leadership Conference in North Florida!** We serve young ladies from all over Florida and South Georgia!

On May 18-20, 2018, we will hold our **8th Annual Leadership Conference!** 100 girls will be accepted, by applying with an exceptional application, and essay. The Conference will be held at the University of Florida. Girls will experience a weekend learning from national leaders providing training and insight on:

- eSTEAM Careers (Entrepreneurship, Science, Technology, Engineering, Arts, Math)
- Chess for Life – Learning the game of chess and applying strategic thinking
- Social Media Etiquette – Learning to professionally communicate in a digital world
- College Preparation – with an official tour of the University of Florida
- And more...

Your support will help provide scholarships for the girls to attend this conference and more. See the enclosed sponsorship tiers. **One girl today = one leader tomorrow.**

For questions, contact our event planning director, Alex Dreyer via phone at 850.445.3144 or via email at alex@L3Ladies.org. Thank you in advance for supporting our girls and the mission of L3 to *prepare young ladies for college, careers, and life!*
