

*Professional Career Women Mentoring Middle School and High School Girls*

What can I expect from this program as a parent/guardian?

- My child will be taught in the career of her interest or a career that is attainable if she is undecided.
- My child will be paired with a professional female mentor who will have her best interest at heart.
- My child will be paired with a professional female mentor who has been through a background check and will keep my child safe.
- My child will learn the basics of preparing for a career, such as social etiquette, business etiquette, how to prepare a resume and more.
- My child will be advised by a female college student who will help her prepare for college or provide her tips on education and life skills if my child is not interested in attending college.
- My child will be picked up from home or school by her mentor or college adviser at my approval.
- My child will be in the program for 8-10 months depending on the start date, and she will graduate from the program if she fully participates.
- My child will be presented with materials and opportunities for her to succeed in finding a career, or learning the career field of her choice.
- The program staff, mentor, and college adviser will keep me informed on the progress of my child.
